

Finding Lyrics Online at www.lyricwiki.org

Most music lyric sites assail your computer with spyware, ads, and other obnoxious or potentially damaging files. Furthermore, once you find the lyrics you are seeking, they are often wrong. LyricWiki not only serves up lyrics in a clean format, but it also lets you edit them when you see that something wasn't transcribed properly.

Smart Computing November 2006

Click on a letter, for example W for The Who, and find this band in the list. Then choose a song, like "Baba O'Reilly"

The lyrics will appear.
