

REGENTS REVIEW

Dear Sir or Madam:

I am writing to provide you with some great news for all students in Westchester County who will take the New York State Regents examinations this year. **Regents Review**, which has been helping students ace the Regents exams for over 25 years, has expanded to **Westchester County** and will be holding review classes this year at **SUNY Purchase**.

Regents Review courses are unique because each subject is reviewed in one day. We provide clear instruction along with effective learning tools and techniques. Over the years we have received positive feedback from both our students and their parents regarding the quality of the teachers, clarity of the course material and post exam success rate. We look forward to helping many students achieve successful results on their Regents exams this year. We are offering review courses in the following subjects:

- **Math A**
- **Math B**
- **Int. Algebra**
- **Spanish**
- **Biology (Living Environment)**
- **Chemistry**
- **Earth Science**
- **Global Studies**
- **U.S. History**
- **Physics**

Each course will be taught by an experienced licensed teacher and will provide students with personalized attention as course enrollment will be limited. Students will receive a comprehensive review of each topic and will have the opportunity to attempt and master Regents exam type questions in the presence of our experienced teachers. Our simplified techniques and step-by-step instruction help our students reach the correct answers for optimal achievement.

At **Regents Review**, we provide all the materials for our classes and the students are encouraged to keep these materials and continue using them after their course has been completed. On the day of the course, students will only need to bring a pen (and calculator if necessary). Enclosed you will find a flyer with the 2008 schedule. Please feel free to present the flyer to any students that may be interested in our courses. Over the years we have satisfied thousands of students and parents alike. The cost of the entire class is only **\$120**.

Please visit our website at **www.passtheregents.com** or call (914) 772-7814 for more information. Thank you and please do not hesitate to contact us anytime with any questions or concerns.

Sincerely,

REGENTS REVIEW
