You are required to notify your school district by April 1, 2017 that your son will be attending Salesian High School and that he will need transportation.

***You do not have to pay for this transportation.***

Each school district has their own application and some school districts may have an earlier date for the application to be submitted. It is advisable that you contact your school district as soon as possible after registering your son as a student at Salesian High School. Please contact your individual school district for further information.

Please note: The school districts of New Rochelle, Mount Vernon and the Yonkers Board of Education do not provide transportation service for students who reside in their districts and attend Salesian High School.

### **Students using MTA buses and subways, Metro North Railroad and Westchester Bee Line buses:**

- 1) Students who live in the Bronx or Manhattan are eligible to receive a free Metro card to be used on New York City buses and subways only. These cards cannot be used on Westchester Bee Line buses. Metro cards can be obtained from the Dean of Students at the beginning of each semester.
- 2) Students using the Westchester Bee Line buses in Westchester or the Bronx must purchase a Westchester metro card. These are available each semester at the Business Office.

Students who use Metro North Railroad may buy a monthly pass at any station. Salesian HS provides a shuttle bus from the New Rochelle station to the school in the morning.
